

Global Conflict Dashboard

File created on: 5/4/2026 10:44:54 PM

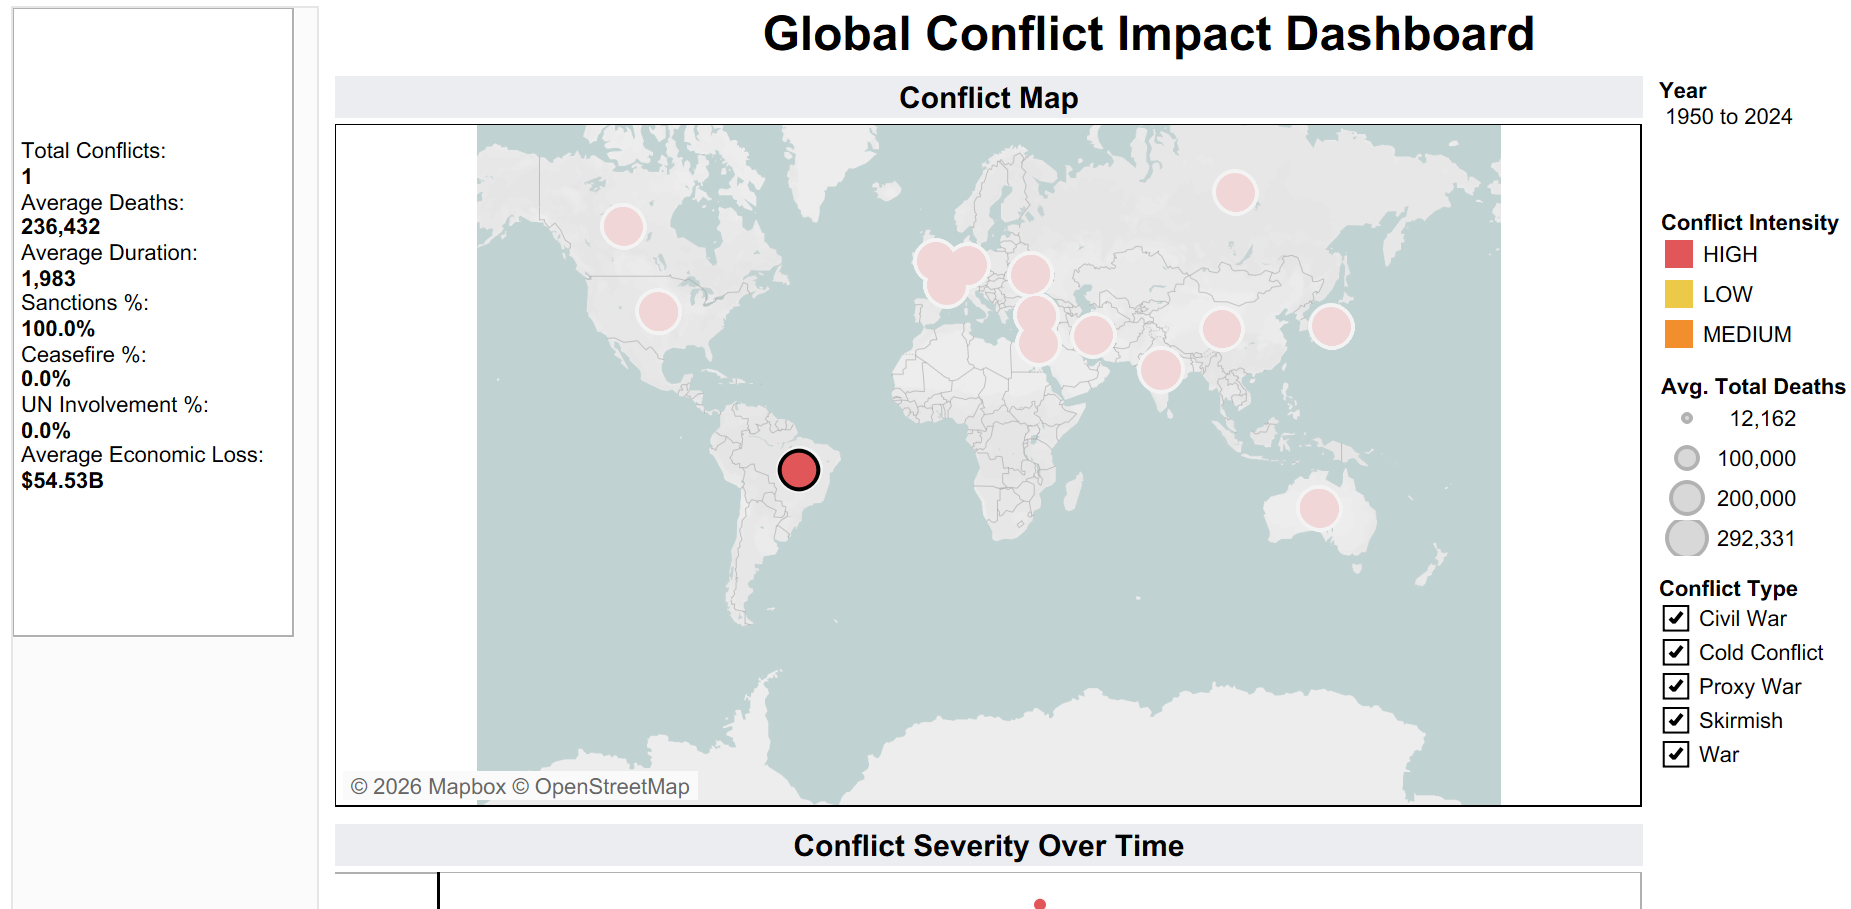

Global Conflict Overview

This dashboard explores global conflicts across geography, time, and external factors.

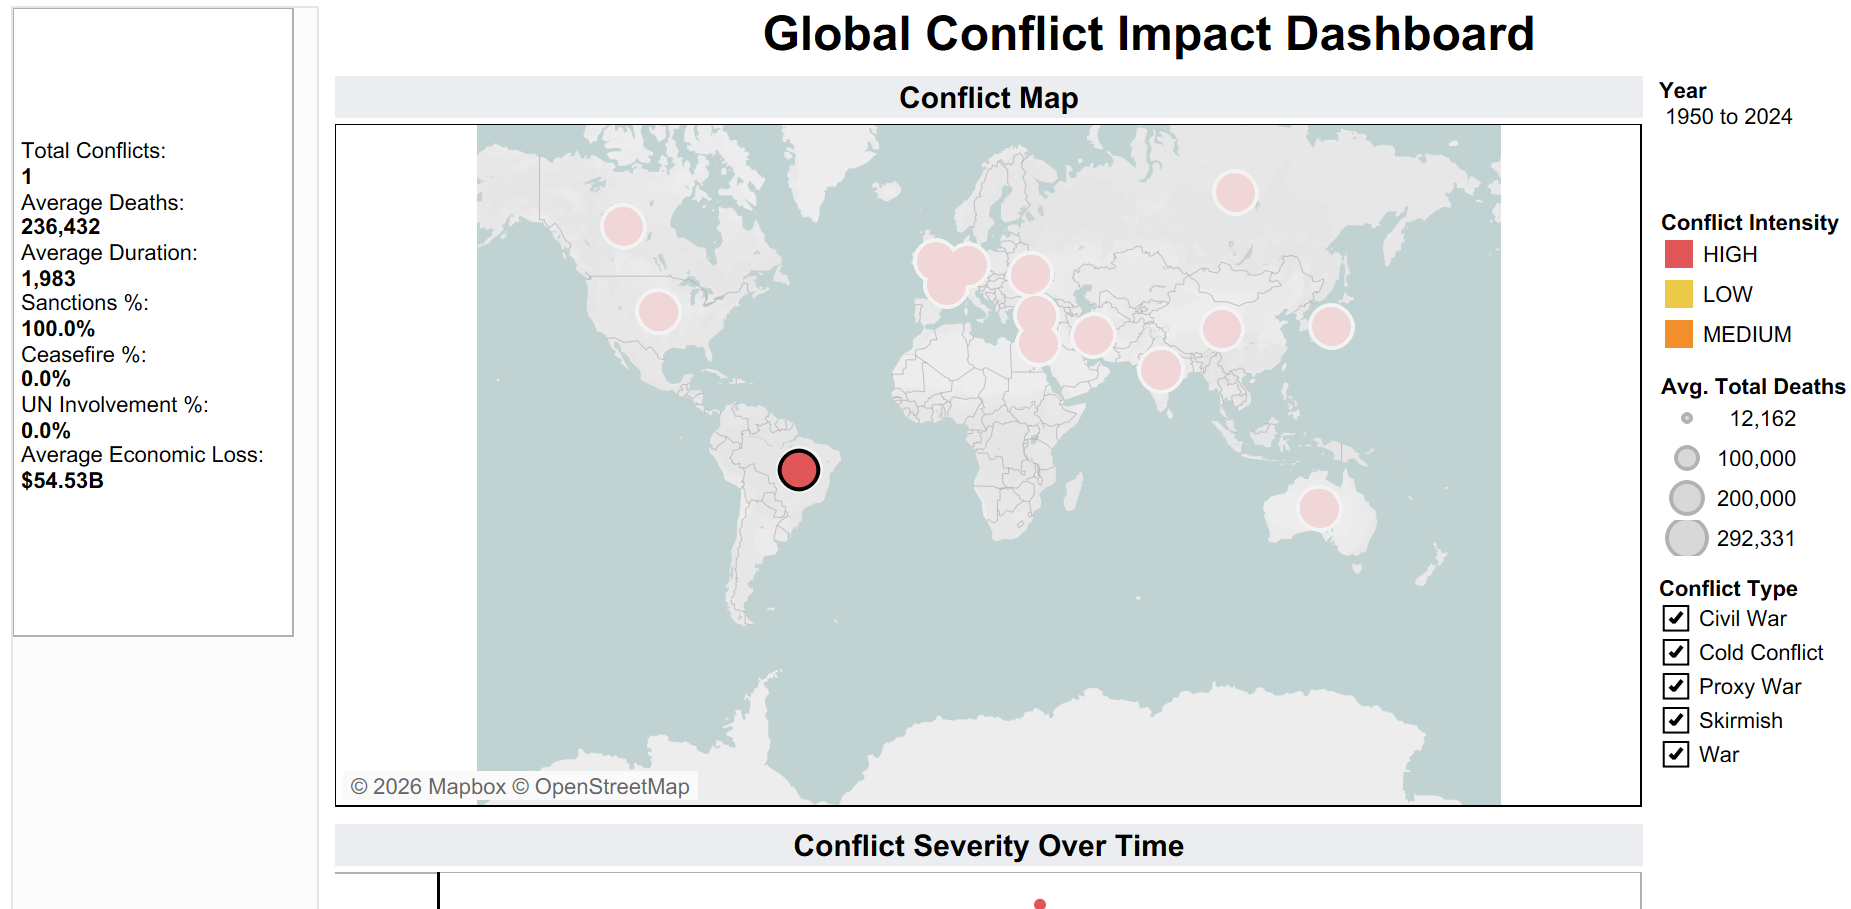

Where Are Conflicts Concentrated ?

Certain regions show repeated high-intensity conflicts over time.

How Has Conflict Severity Changed Over Time ?

Conflict severity fluctuates over time with no consistent long-term decline.

Do Sanctions Affect Conflict Severity?

Nearly half of conflicts involve sanctions, suggesting a significant external influence.

Key Takeaways

Conflicts remain persistent globally, with varying severity influenced by geography, type, and intervention factors.
